

Victoria Vita was going outside to play with her friend Sara Dudley. On her way out the door she tripped and scraped her knee. There was blood all over. Victoria panicked; she hated the sight of blood. Luckily Victoria's mom heard her wails and came running. Victoria's mom knew exactly what to do to fix the situation. She got a wet wash cloth, a Band-Aid and two ice cream sandwiches. Soon Victoria was on her way with a smile on her face.
